April 8, 2009

So, how cool is this?

At the <u>Carlson User Conference</u> this week in Lexington, KY, Brent Jones of <u>ESRI</u> announced a new grant program in coordination with Carlson Software. The program will bring ESRI products to every IntelliCAD-based Carlson program.

Speaking with Brent on Tuesday, he said that a few of the details have yet to be worked out, but Carlson IntelliCAD users should be hearing details in about a month.
