Carlson Software: Student Version

December 30, 2009

Answering a need that's been out there for some time, Carlson has recently announced the availability of a "Student Version" of their products.

From the announcement in the [American Surveyor magazine](#):

Carlson Software is offering civil engineering, land surveying and mining students the option of purchasing their own software on which to learn and work at home for \$99 for a full academic year. This program is available for fulltime students.

The software that Carlson is offering for this program includes the following:

- *Carlson Civil Suite – Carlson Survey, Carlson Civil, Carlson Hydrology and Carlson GIS in one powerful package.*
- *Carlson Survey – now with C&G Survey included is the*

That CAD Girl

ultimate office survey software

- *Carlson Takeoff – provides fast and accurate CAD-based estimating, plus essential quantity and quality controls*
- *Carlson Mining – the software choice of the U.S. coal mining industry in Underground, Surface and Geology modules*

To apply for your Student Version of Carlson Software, you must complete [this application](#) and submit it online. Lauren Brown, the Academics Coordinator for Carlson Software, will contact you to complete your purchase.
