Civil Suite Pricing to Increase on 9/15/2010

September 15, 2010

UPDATE As soon as I heard about the Civil Suite price increase (originally set for 9/1/2010), I announced it here because I'd been asked about it so frequently. Now, it appears that the date has been extended to 9/15/2010 for the lower pricing. So, I've updated my advertising where possible. The cutoff date is apparently still in flux... all I can say is to keep checking. I plan to keep \$1,995 on Civil Suite at least until Carlson raises their prices and hopefully beyond that.

As expected, [Carlson Software](#) has decided to end their "Recovery Special" and take the price of Civil Suite back to its original \$3,500. Carlson's price of \$2,500 will remain in place only through September 1, 2010 [Now 9/15/2010 – See Above].

As a reminder, prices listed above and on our [Carlson Software Pricing page](#) are Carlson's Retail Pricing and do not

That CAD Girl

reflect **discounted pricing** available from That CAD Girl. Additionally, That CAD Girl includes **one-hour FREE online training** with each purchase of Carlson Software.
