Year End Specials for Carlson Software

October 21, 2013

Updated 11/4/2013: I've just added several more end of year specials for [Survey with IntelliCAD](#), [Takeoff Suite](#), [Construction](#), [Trench](#), [GeoTech](#), [Survey with IntelliCAD and manuals](#) and more... Remember to Add Coupon for best pricing!

Carlson jumped the gun a bit and announced their year-end specials today... Special pricing will end at noon on 12/31/2013. In addition, all software purchases through 12/31 include 2 hours of online training.

Check out my [online store](#) and make sure to pick the item's "Add Coupon" button for best pricing:

[Carlson Civil Suite](#) including one year of upgrades/maintenance

[Carlson Survey 2014 with embedded AutoCAD](#)

That CAD Girl

[Carlson CADNet 2014](#) including one year of upgrades/maintenance

CADNet is a new module for 2014 – broken out of Takeoff. CADNet has tools for digitizing, importing raster and vector data from images and PDFs, merging two image files, BIM data and more. [Check out this recent webinar](#) introducing Carlson CADNet to see how powerful it is.
