That CAD Girl

Year End Specials for Carlson Software

October 21, 2013

Updated 11/4/2013: I've just added several more end of year specials for <u>Survey with IntelliCAD</u>, <u>Takeoff Suite</u>, <u>Construction</u>, <u>Trench</u>, <u>GeoTech</u>, <u>Survey with IntelliCAD and manuals</u> and more... Remember to Add Coupon for best pricing!

Carlson jumped the gun a bit and announced their year-end specials today... Special pricing will end at noon on 12/31/2013. In addition, all software purchases through 12/31 include 2 hours of online training.

Check out my online store and make sure to pick the item's
"Add Coupon" button for best pricing:

Carlson Civil Suite
upgrades/maintenance

Carlson Survey 2014 with embedded AutoCAD

That CAD Girl

Carlson CADNet 2014 including one year of
upgrades/maintenance

CADNet is a new module for 2014 — broken out of Takeoff. CADNet has tools for digitizing, importing raster and vector data from images and PDFs, merging two image files, BIM data and more. Check out this recent webinar introducing Carlson CADNet to see how powerful it is.
