

That CAD Girl

Carlson (and my) End-of-Year Specials are Here!

November 24, 2014

I'm a few days late in posting this but Carlson has announced their end-of-year CAD pricing specials for 2014.

So, what's on the shelf? For desktop software we have specials on:

- [Carlson Civil Suite 2015 plus maintenance through 9/1/2015](#) Everyday retail price for this bundle is \$4,125, Carlson's year-end price is \$2,995 and my price is... less than that!
- [Survey 2015 with embedded AutoCAD](#) Everyday retail price for this is \$2,995, Carlson's year-end price is \$2,695 and my price is... less than that too!
- [Takeoff 2015 \(T8\) with embedded AutoCAD](#) Everyday retail price for this

That CAD Girl

bundle is \$9,000, Carlson's year-end price is \$7,500 and my price is... you guessed it... less than that!

All software purchases include 12 months of access to my [live, interactive webinars](#). These are exclusive training sessions that are not publicly posted online and I'm currently scheduling approximately 3-4 hours per month on various topics. This is my way to help as many of my customers as possible use your software and keep it from becoming shelf-ware!

But, that's not all!

I also have additional discounts on new purchases of Carlson [Survey](#), [Civil](#), [Hydrology](#), [GIS](#), [Takeoff Suite](#), [Construction](#), [CADNet](#), [Trench](#) & [GeoTech](#) with Maintenance. These links go to my online store where you can see my standard discounts but I'm not allowed to advertise the super-duper special pricing. You'll have to [email me](#) or [Request A Custom Proposal](#) to find out details...

Both Carlson's specials and the ones I'm running on my own will expire on 12/31/2014...
