It's Trade Show Season – Come See Me!

January 20, 2015

It's trade show season again and I am happy to get the chance to go visit old friends and meet new ones over the next few months...

Next one upcoming is the [SAMSOG Technical Seminar in Atlanta](#) later this week. I appreciate the opportunity to present my classes to this group for the first time and I understand it's going to be quite a crowd; but they take walk-ins on the day of the event. I'll be covering *Tips & Tricks in CAD and Carlson* and an *Introduction to Field to Finish*.

Next will be the [NJ SurvCon in Atlantic City](#) which starts on 2/4. I think this is my third year and I really enjoy seeing everyone although they all tell me I talk funny! Again, it's *Tips & Tricks* but I'll also be presenting *How to Take a Project from Field to Finish with Carlson Survey*.

February 11th thru 13th I'll be in Columbus, Ohio for the [40th Anniversary of PLS0's Annual Conference](#). I'll be in the exhibit hall for most of the time but on Friday will be teaching *CAD & Carlson Tips & Tricks*. Make sure you visit my booth and see how your CAD skills match up to surveyors in other states!

And, lastly (I think), I'll be in Murfreesboro TN at the [TAPS 47th Annual Meeting & Exhibition](#) from March 12-14. I'll be in the exhibit hall most of the time but will also be teaching *Field to Finish for Survey and GIS Collection from a GIS Dummy* on Thursday March 12th.

It's not a trade show but don't forget [Carlson's 2015 User Conference](#) at the end of April. I'll definitely be there since it's practically in the backyard of my hometown in Kentucky.

Looking forward to seeing everyone!
