Well, it **says** November 1st but I just received an email that they've launched this promotion today to coincide with a magazine advertisement! I know a lot of you have been waiting for this promotion and it's finally here.

For a limited time I'm also offering a special "build-your-own-suite" package that will allow you to choose any 4 of these programs to create the bundle that works best for you: Survey, Civil, Hydrology, GIS, CADNet, Trench or GeoTech.
