Carlson 2017 Has Been Released!

July 29, 2016

Late yesterday afternoon Carlson Software released the <u>2017</u> <u>version</u> of their desktop software products! <u>Click here to download 2017</u> and here to see the <u>list of improvements in 2017</u>.

If you are current on your maintenance plan, you can <u>visit</u> this page and use your 2016 serial number to retrieve your 2017 serial number.

If your maintenance has expired or you're not able to generate your new 2017 serial numbers, please <u>send me an email</u> or <u>request a proposal</u> to find out pricing.
