That CAD Girl – Top Reseller for Carlson in 2016!!

February 14, 2017

I received this award and letter over the weekend but just had a chance to put it all together in a post..

This is the 7th year in a row that That CAD Girl has been the top reseller for Carlson Software but the first time I've received an award or anything "official". What a nice surprise!

As much as I appreciate the recognition I need to turn it around and thank the mighty-band of loyal customers, far and wide, who have helped grow this business. If it wasn't for

your referrals and requests for conference speaking engagements, etc, it wouldn't have gone anywhere.

Jeremy Taylor, "That CAD Guy", has definitely helped grow the hardware side of the business (by a LOT!) and been a fantastic resource for both me and our customers. I think you'll be seeing more of him teaching classes because he's awfully good at it...

I also want to thank the rest of the "Workshop Crew" shown below: Butch Herter, Dean Goodman, Scott Griffin, Mike Jones, Mark Long and Jeremy.

It's an exhausting but fun few weeks each November and December and they continue to step up with their support and service. Lee Guerringue is the only one not in the pictures (she's usually behind the camera) but has contributed our "Greatest Hits" and much more.

Thanks to everyone and here's to an even better 2017!
