Carlson 2020 Released!

October 10, 2019

A couple of weeks ago [Carlson Software](#) released the 2020 version of their desktop software that runs with IntelliCAD 9.2 (which is included) or on top of a separately purchased license of AutoCAD 2015-2020.

UPDATE: [Carlson Survey 2020 and Takeoff with Embedded AutoCAD \(OEM\) is now available](#)

For customers who are current on maintenance, [you can follow this link to look up your new 2020 serial number](#). If you have trouble finding your serial numbers, you can call Carlson for free tech support at 606-564-5028 or [contact me](#) and I'll try to help.

You can click here to [request a 30 day trial of the software](#) or [request a proposal for a new purchase or Carlson 2020 update](#).

Here are a few links and video with more details about new features in the Carlson 2020 update of the software:
