Carlson Survey 2020 and Takeoff with Embedded AutoCAD (OEM) is now available

October 23, 2019

The rollout of <u>Carlson Software's</u> 2020 desktop programs is now complete with this week's release of Carlson Survey 2020 and Takeoff R11 with embedded Carlson AutoCAD (OEM). There wasn't a new release of Takeoff last year so Carlson Survey 2020 includes two years of updates <u>which you can see here</u>.

If you purchased a new license or upgrade to 2019 on or after 9/1/2019 - you are eligible for a free upgrade to 2020! Email me to request your 2020 serial number.

Click here to <u>request a 30 day trial of the software</u> or, if you're currently using an older version of one of these OEM products and are interested in upgrading, please <u>click here to request a proposal</u>.
