Carlson's User Conference is Going West! Get ready Portland!

February 2, 2020

I'm looking forward to joining other Carlson staff and trainers at this year's Go West Conference in Portland Oregon – it's a great opportunity to meet and greet some of my long-time west coast customers for the first time.

This year's conference will be held at the Sheraton Portland Airport Hotel from April 20-22. Dave Lorenzo from the ITC (IntelliCAD Technology Consortium) will be presenting the

Keynote address on Monday night.
