Just Announced! 50% discount to renew expired Carlson Software maintenance

April 24, 2020

On Thursday afternoon Carlson Software announced a limited time program allowing users with expired maintenance to renew at a 50% discount off regular price.

By renewing maintenance now, you'll receive an immediate upgrade to 2020 plus an upgrade to 2021 when it's released later this year. Current maintenance holders also receive free access to [Carlson Academy](#) that includes recordings and step-by-step tutorials for various programs.

If you're interested in taking advantage of this limited time special, [email us today for a custom proposal!](#)
