# Virtual Workshops 2022 – a line-up that goes and goes and goes…!

October 10, 2022
We're a little late getting this posted but registration for our **2022 Virtual Workshops** is now open! We are expecting to get back to our "regularly scheduled programming" (i.e. in-person workshops) in 2023 but, in the meantime, we want to make sure we give everyone more than you're expecting.

Sessions start on November 15th and we will be offering more than 30 hours of sessions spread over 6 days!

Registration is only $199 and you can attend as many or as few sessions as you'd like.
