2022 Virtual Workshop Registration Discount!

November 21, 2022

Although we've already completed 2 of our 6-days of workshops, we've continued to get calls and requests to register for the remaining days.

It's true that "the best is yet to come" but, in the spirit of Thanksgiving, Black Friday and end-of-year specials, we've decided to reduce the cost of the registration to $99 for the remaining sessions.

Coming up Tuesday Nov 29th, we are putting the sales, support and development teams from Carlson Software in the hot seat to answer your questions! You won't want to miss this!

That CAD Girl

Currently scheduled: Bruce Carlson, Leonid Entov, Scott Griffin, Butch Herter, Mark Long, Doug Aaberg, Sara Winter, Shan Lu, Lon Watson, John Gerber and more!

Survey OEM 2023 Released!

November 21, 2022

I've been pretty impressed with the stability and performance of the Carlson 2023 products so it's not a surprise that they have released Survey OEM 2023 so quickly.

Wondering what's new in the latest release? Don't miss our FAQ: What are the improvements to Carlson over previous versions?

Anyone who purchased 2022 after 10/1/2022 is eligible for a free upgrade to 2023. Please send Claire or me an email at ContactUs@ThatCADGirl.com and we'll help you get your new serial number.

If you are interested in running a 30-day trial to try it

before you buy it, please reach out to us and we will be happy to send that to you as well.

PS: Carlson's and That CAD Girl's year-end specials are ongoing through 12/31/2022… don't miss out!

Carlson Software 2022 Year End Specials

November 21, 2022

That CAD Girl

Carlson has recently announced their year-end pricing for desktop software. This year's specials include Survey with embedded AutoCAD (OEM), Select Suite Pick 2, Select Suite Pick 4, Civil Suite and a steep discount to upgrade your Point Cloud Basic to Point Cloud Advanced! Not sure what you need? Click here for our FAQ:P3D? or Point Cloud? then Point Cloud Basic? or Point Cloud Advanced?

In addition to the specials being offered directly from Carlson, That CAD Girl has additional discounts and pricing for Carlson Takeoff Suite, Takeoff OEM and Point Cloud Advanced. You can find the end-of-year specials listed here and you can also check out our Active Coupon Codes for additional discounts.

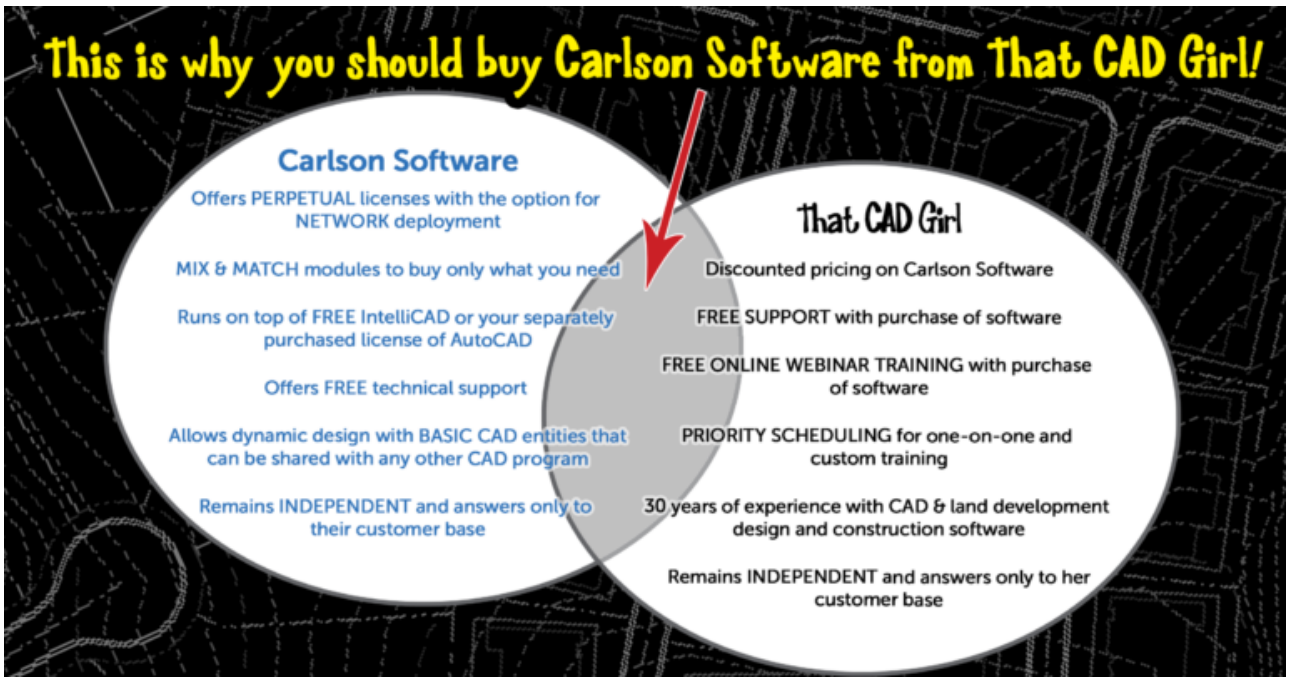

What else? All software purchases through That CAD Girl are eligible for half-price registration to our Virtual Workshop and a year's access to our live, interactive webinar training

sessions.

Purchases of Carlson Takeoff Suite and Takeoff OEM will also give you a free registration to our 2-day Fast Track with Carlson Takeoff training in January 2023. We aren't just interested in selling you the software – we want you to use it and love it!

Don't forget to subscribe to our YouTube channel where you can find our Picks and Clicks videos plus several "Product Overview" recordings that demonstrate features in different programs.

Carlson Software 2023 has

been released!

November 21, 2022

On November 1, 2022 Carlson Software released the 2023 version of their desktop products. With the 2023 release, Carlson is focusing more on performance and stability and a little less on new bells and whistles… I'm guessing the next version will be heavy in the other direction!

Carlson 2023 products will ship with both a preview release of IntelliCAD 11.0 and 10.1 and can also run on top of your separately purchased license of AutoCAD 2018-2023.

Carlson Survey 2023 with embedded AutoCAD (OEM) is expected

to be released within the next few weeks but it's unclear at this time whether there will be a 2023 release of Takeoff OEM.

Any user who has purchased Survey OEM 2022 after 10/1/2022 will receive a free upgrade to Survey OEM 2023. If this applies to you, please Email us and we'll make sure you get your free upgrade.

If you are currently running Carlson and have an active maintenance contract, **you are eligible for a free upgrade to Carlson Software 2023**. You will need your 2022 serial number and can use this Lookup screen to find your 2023 serial number.

If you're a past customer of That CAD Girl, you may be able to find your Carlson Customer ID, serial numbers and maintenance reports on our new customer portal. You can access your portal by clicking here and entering your email address. If you haven't been granted Admin privileges by your company's primary point of contact, you may have limited access.

That CAD Girl

You can read more about the new features and find more information here on Carlson Software's 2023 product page.

Don't forget to subscribe to our YouTube channel where you can find our Picks and Clicks videos plus several "Product Overview" recordings that demonstrate features in different programs.

FAQ: What are the improvements to Carlson over previous versions? (a running thread)

Around the Bend—A Visit to Carlson Software by American Surveyor Magazine

November 21, 2022

Very nice write-up by the folks at American Surveyor magazine… Around the Bend—A Visit to Carlson Software

That CAD Girl

Highlights from the 2017

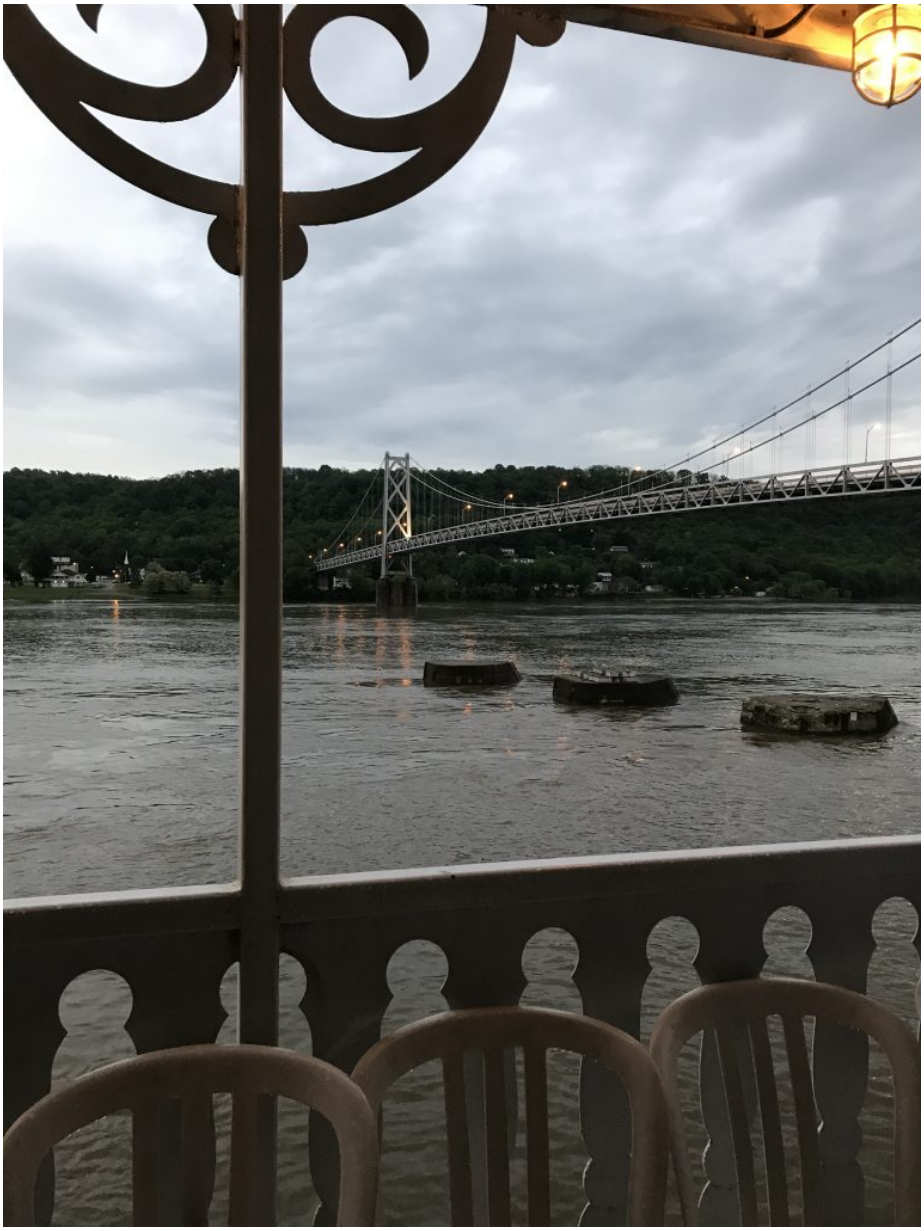

Carlson User Conference

November 21, 2022
It was a really fun time at the Carlson User Conference last week in Maysville and it’s always great to see everyone. The folks running the show did a superb job with scheduling and Maysville rolled out the red carpet. I got excellent feedback from attendees about all the classes and extra-curricular activities!

See below for pictures of events and some of our favorite people in support who are often heard – but rarely seen!

Data Collector Trade-In for new Surveyor 2 with SurvCE

November 21, 2022

This is a last-minute addition to Carlson's year-end specials…

If you have any old, broken-down, beaten-up, driven-over data collector laying around, it's now worth at least $900 toward the purchase of a new Surveyor2 data collector with SurvCE.

Click here to request a custom proposal – prices will vary depending on the model of Surveyor 2 and the modules of SurvCE you need to have loaded.

Carlson Year End Specials – Sweet Suites & Bundles of Hardware

November 21, 2022
Carlson announced their year-end specials early this year and they have lots of great offerings for hardware and software… but we've done a little better!

Click here to browse all the discounts – pricing is good

through 12/31/2016. And, don't forget! If you purchase new software through That CAD Girl you will be eligible for 12 months of our live and interactive webinars. You can see the list of upcoming webinars here.

If you've never attended one of our webinars, we'd love to have you attend as a guest for one of our upcoming sessions. Click here to send a request or to request a custom proposal or live demonstration.

Also (hint, hint) you may want to register for our newsletter because we *MAY* have other That CAD Girl exclusive specials to announce later this month!

Overview of Carlson CADNet

webinar – Working with Images & Converting to Linework

November 21, 2022

One of Carlson's Year-End Specials this year is for existing Carlson users to add Carlson CADNet for $995 – the retail price is $1,595 and maintenance is an additional $159.50. (Hint: I provide additional discounts for existing and new customers!)

Understandably this has generated a lot of renewed interest in this module. I have received a lot of calls and emails from folks requesting more information and wondering if, and how, CADNet might increase your productivity. So, in response, I've decided to post the recording of my October 8, 2015 webinar on the topic, "Overview of Carlson CADNet – Working with Images & Converting to Linework".

Click here to request a custom proposal for adding CADNet to your existing license, for a new "Super-Sweet-Suite" that

includes Survey, Civil, Hydrology, GIS AND CADNet or other Carlson software or hardware products.

Click here to request a custom proposal.

Click here to learn more about my webinar series that's included with every software purchase – We help you buy what you need AND use what you buy…

See below for access to the CADNet webinar recording:

Carlson 2016 Released

November 21, 2022
[See below for 8-7-2015 update]

Carlson Software made the 2016 version of their desktop software available for download yesterday. The products

released include all desktop products that run with the included IntelliCAD or on top of your own AutoCAD-based software. The 2016 OEM/embedded AutoCAD versions of Survey and Takeoff are expected to be released in a month or so.

The programs included in this release include Civil Suite, Takeoff Suite, Survey, Civil, Hydrology, GIS, Basic Mining, Geology, Underground Mining, Surface Mining, Natural Regrade, Field, CADnet, GeoTech, Trench, Construction and Point Clouds. Carlson 2016 includes IntelliCAD 8.1 and can also be installed on top of any full AutoCAD-based software from 2010-2016. This includes AutoCAD, Map and Civil 3d but does NOT include AutoCAD LT.

You can see the full list of Carlson 2016 Improvements here.

One thing that's new for 2016 is that there are separate downloads for 32- and 64-bit systems. You can download the 150731 Build of either file here.

If you are currently on Carlson's maintenance plan, you can click here to find your 2016 serial number. You'll need your 2015 serial number and primary contact information for the owner of the software. If you have trouble, feel free to email me and I'll do what I can to help get you up and going. Or, request a proposal to upgrade or renew your maintenance now.

I can provide a 30 day trial if you'd like to test-drive for a bit and am also offering a free test-drive to one of my upcoming webinars. Starting with tomorrow's Introduction to Carlson Software – Settings, Setup, Configuration & Points webinar, I'll be presenting in the 2016 software.

If you're curious how Carlson compares feature- and price-wise to Civil 3d, Land Desktop, Eagle Point, Terra Model or others, email me or follow these links to request a demo or request a custom proposal.

8/7/2015 Update: One other change to the platform support for

Carlson 2016 will be important to a lot of you: Carlson 2016 with IntelliCAD no longer works on top of Windows XP; however, you can run Carlson 2016 on top of an AutoCAD 2010-2016 on an XP machine.
