# Am I eligible to attend your Carlson Software webinars for free?

July 25, 2016

If you have purchased a new license of Carlson Software directly from That CAD Girl in the preceding 12-months, you're eligible to attend any and all webinars listed here, for free!

The fine print: There will be a limited number of "seats" available for the sessions (limits of the technology). If we start bumping up against the limit of attendees, only one person per company will be able to attend each session. If we have plenty of seats available, that won't be an issue.

After pre-registering, we will confirm your recent purchase and, if you are eligible to attend, will send you the meeting login information.

Follow this link to pre-register for any webinars you'd like to attend.
